SUMMARY

Computer Science graduate with hands-on experience in software development through internships. Proficient in Python with understanding of object-oriented programming. Strong problem-solving and collaboration skills, eager to contribute to software engineering projects.

EDUCATION

B.Tech in Computer Science and Engineering	2022–2026
---	------------------

Nalla Narsimha Reddy Educational Society Group of Institutions	GPA: 7.93
--	-----------

Intermediate in MPC	2020–2022
----------------------------	------------------

Trinity Junior College	GPA: 9.6
------------------------	----------

Secondary School Certificate	2019–2020
-------------------------------------	------------------

Krishnaveni E/M High School	GPA: 10.0
-----------------------------	-----------

PROJECTS

Omni Summarizer: Processing and Summarizing Heterogeneous Digital Media

Developed an AI-based application that summarizes heterogeneous digital content such as text, audio, and video into concise and meaningful information. Utilized Natural Language Processing (NLP) and machine learning techniques to extract key insights, reducing manual effort and improving efficiency in understanding large-scale data.

TECHNICAL SKILLS

Programming languages: Python, C.

Web Development: HTML, CSS, JavaScript, SQL.

INTERNSHIPS

Python Full Stack Developer Virtual Internship – EduSkills

Technologies: Python, HTML, CSS, JavaScript
